

Welcome to the Rite Aid Drug Quiz Show....

....and to our core curriculum.

All fifteen Learning Centers have been newly updated  
by acknowledged experts in the field.

They present accurate, age-appropriate drug abuse prevention  
information, as well as important "Life Skills"  
young people need to be successful  
in today's challenging world.

We invite you to begin by reading the "Directions" page,  
and then the Learning Centers themselves.

Topics covered include:

Alcohol  
Conflict Resolution  
Decision-Making
